

Do you want to work for one of the most successful Neurotherapy Clinics in North America?

We are currently looking to strengthen our growing team in Vancouver and are seeking experienced Doctoral Level Clinical Psychologists eligible for licensure in psychology in the Province of British Columbia.

Swingle Clinic is one of the largest clinics providing neurotherapeutic treatments in North America with more than 13,000 visits per year. We are conveniently located downtown in beautiful Vancouver, British Columbia. Our clinic features state-of-the-art psychoneurotherapeutic equipment and is staffed by highly qualified, trained and experienced professional and clinical staff.

At Swingle Clinic we pride ourselves for being able to help clients who have previously believed there was no hope. A full service psychological practice, we are constantly evolving to find the most effective therapies to heal and improve health and wellbeing. The Swingle Clinic also offers a wide range of vanguard integrated treatment methods including:

- Myofacial retraining
- Full-range neurophysiotherapeutic therapies
- Physiologically guided group/couples therapies
- Optimal performance training
- Controlled remote treatment
- Out-reach neurofeedback programs for the disadvantaged
- Neurological driving procedures
- Craniosacral therapy
- Specialists in pediatric neurotherapy

If you are interested in exploring the possibilities for employment send an email to mswingle@swingleclinic.com and attach your resume and covering letter.
